C-1.1 Attach evidence of the Applicant's clear legal title, an executed lease, or option to purchase or lease the proposed site and facility. If attaching an option to lease, Applicant must also submit a signed, notarized statement from the property owner that the owner will grant a leasehold interest to the Applicant on the proposed site if a provisional dispensary license is issued to the Applicant.

C-1.2 Applications are site-specific and provisional dispensary applicants with any common ownership may not submit more than one application for the same parcel or any adjoining parcels. See [OAC 3796:6-2-04\(C\)\(1\)\(a\)](#).

The purpose of the "common ownership" prohibition for applications on the same or adjacent parcels is to prevent people from submitting multiple applications for the same or adjoining parcels. The Board is aware that some Applicants may try creative work-arounds to multiply their chances of winning a license at a specific location (or at an adjacent location). The purpose of this RFA requirement is to ensure an equal chance for licensure for all Applicants. The Board will be carefully scrutinizing applications that are seeking the same or adjoining parcels in the following circumstances:

- Separate applications are received from people or entities that seem to have some sort of prior relationship (the separate applicants are spouses, siblings, co-own another business, etc.)
- Applications that have identical (or nearly identical) budgets and site plans for the same or adjoining parcels
- Option agreements between applicants seeking the same or an adjoining parcel
- Management or consulting agreements between applicants seeking the same or an adjoining parcel
- Pledged amounts are coming from the same banking or investment accounts
- Multiple applicants are relying on the same pledged assets
- There are any other indicia demonstrating an attempt to circumvent the single application per parcel/adjoining parcel requirement of the RFA

This scrutiny may not be limited to reviewing the four corners of the applications, and may involve Board investigators sending subpoenas and conducting interviews. If the Board concludes that two or more Applicants are attempting to circumvent the one-application-per parcel rule, the Board will disqualify all applications from the Applicants (including applications for other unrelated parcels).

Is the Applicant aware of any other applications to obtain a provisional dispensary license that will be submitted for the same or an adjoining parcel as the parcel(s) identified in this application?

NO

C-1.3 Has the Applicant (including any owners, officers, and board members or anyone acting on their behalf) been in coordination or communication with any other Applicant(s) (including their owners, officers, and board members or anyone acting on their behalf) seeking to obtain a provisional dispensary license that will be submitted for the same or an adjoining parcel as the parcel(s) identified in this application?

NO

C-1.4 If the answers to either question C-1.2 or C-1.3 was yes, please provide a narrative statement:

- identifying the individuals or companies that you believe will be submitting applications for the same or an adjoining parcel;
- identifying any relationship (whether personal or professional) the Applicant, owners, officers, and board members or their representatives have with the Applicants, owners, officers, and board members or their representatives of the Applicants that you are aware may be submitting applications for the same or an adjoining parcel.
